Litota was founded in 2006 and offers end-to-end software development services in FinTech & iGaming: from vision to implementation & support. Our aim is to collaborate with the best talents within the industry. We recruit genius developers, testers, analysts, experts from around the world to develop software and launch exciting projects together. Every day our team works from Russia, South Africa, Spain, Turkey, Serbia, Czech Republic, Kazakhstan, Vietnam, Bali, Armenia, Ukraine and other countries. We feel like a united strong dream-team: new employees join the process as efficiently as possible, and each of them finds new opportunities for development with us. Our team grows along with our product. Want to grow with us? At the moment we are looking for Senior digital marketing specialist (iGaming) to drive and develop all digital marketing activities for iGaming (lead generation, brand awareness).
